## Strong, Tough, Hardy

- The most exciting Stellar son to be offered in Australia to date, with awesome progeny reviews for many of Australia's esteemed stud cattlemen
- Resilient sons are pooping up all over the country – from Northern QLD, across to WA and down to the bottom of Tassie and in NZ, people just can't get enough of their power, evenness and consistency
- Top 6% Foot Angle; top 18% Claw
- On USA EPD Resilient is at top 30% for Marbling
- The record-setting \$165,000 bull of the fall 2019 Sitz Angus Ranch sale
- Resilient has been described by all who have seen him as wide based, deep bodied and free moving with excellent feet and quiet disposition
- As his dam's first calf, Resilient had a weaning ratio of 121 and an adjusted yearling weight of 1,530 pounds (695kg) for a yearling ratio of 117
- The dam of Sitz Resilient is a daughter of the now-deceased Pathfinder sire Sitz Top Game 561X whose Pathfinder dam is considered the greatest daughter of Onward produced in the Sitz program. After a great donor career for Sitz Angus and Express she sold half interest for \$200,000
- Bomb proof calving ease with ultra-low GL ideal for heifer matings. Strong growth, high milk with a balanced carcass data set including positive fats for all fat EBVs and solid structural data
